Venture Leaders have a clear-cut goal. They envision themselves as global players and want to take the first step towards their global expansion.

The Investor and Business Development Roadshow to the Boston area allow for a deep-dive into the global medtech scene and includes public and private pitch sessions, high-level networking opportunities, company visits and individual business development activities.

Venture Leaders Medtech is organized by Venturelab. The program with a value of CHF 10,000 is offered free of charge to the winner's thanks to the support of EPF Lausanne, ETH Zurich, Hansjörg Wyss, Kellerhals Carrard, Swissnex in Boston, and Canton Vaud.

"Venture Leaders enabled me to closely interact with startup founders at similar stages of development in their venture."

Margaux Duchamps,
CEO **ArcoScreen**
