

SEMINAR OF ANALYSIS

Friday 16 June 2023 - Room: MA B1 524 at 2.15 pm

Prof. Herbst Michael (EPFL, Lausanne MA)

will present a seminar entitled:

« Electronic structure theory: Introduction and some problems »

Abstract:

“I will provide a brief mathematical introduction to the topic of electronic structure theory with a focus on currently open problems and (from my perspective) interesting research directions.”

Lausanne, June 14, 2023

JK/rb
