

We are pleased to invite you to:

Meet your Future Employer: ESA - European Space Agency

26 September 2024 from 12:15 – 14:10
EPFL Campus, room CM 1 4, Lausanne

ESA is the European gateway to space. Its mission is to shape the development of Europe's space capability, leading peaceful exploration, and use of the space for the benefit of everyone on earth. ESA offers a number of entry-level programs targeting students, recent graduates, and young professionals, alongside its vacancies for experienced professionals. Andrew Kane and ESA representatives would love to meet you and share ESA career opportunities with you. One of them could be your path to space!

Opening speech by Prof. Claude Nicollier, First Swiss ESA Astronaut.

Register here to the event.
