

EuroTech Universities

Excellence in Science and Technology

Postdoc Workshop on EU research policy and funding 29-30th September 2016, Brussels (BE)

The EuroTech Universities work towards new collaborative approaches in research, education, innovation, and entrepreneurship promoting the development of scientific career paths. This interactive Workshop on EU research policy and funding, with focus on Health and Big Data, will for the first time exclusively address postdocs to increase awareness of EU instruments for postdoctoral career development and offer an interactive forum to enhance cooperation between the EuroTech Universities

- ★ *EU policy landscape in relation to funding for research and innovation*
- ★ *EU Funding for Excellent Science – European Research Council; Marie Skłodowska Curie Actions; Future and Emerging Technologies*
- ★ *EU collaborative research – Industrial Leadership and Societal Challenges*

FREE registration - closes 10th July
