

Curriculum Vitae

Personal

Name Markus Josef Niederberger
Date of Birth 10 June 1970
Office Address Multifunctional Materials
Department of Materials
ETH Zurich, HCI F 509
Vladimir-Prelog-Weg 5
8093 Zurich
Tel: +41 44 633 63 90
Email: markus.niederberger@mat.ethz.ch

Education

2001 PhD degree, Department of Chemistry, ETH Zurich
1996 Diploma in Chemistry, ETH Zurich

Professional Experience

2012 – present Associate Professor, Head of the Laboratory for Multifunctional Materials, Department of Materials, ETH Zurich
2007 – 2011 Assistant Professor (tenure-track), Head of the Laboratory for Multifunctional Materials, Department of Materials, ETH Zurich
2002 – 2006 Group leader with Prof. Markus Antonietti, Colloid Department, Max Planck Institute of Colloids and Interfaces, Potsdam, Germany
2001 – 2002 Postdoctoral fellow with Prof. Galen D. Stucky, University of California Santa Barbara, Santa Barbara, USA

Editorial Activities

2009 – 2012 Founding Editor and Editor-in-Chief for Europe, *Nanoscale*

Memberships, Commissions and Committees

Member of the Materials Research Society
Member of the Swiss Chemical Society
Member of the German Chemical Society
2013 – present Member of the Evaluation Committee for SNSF professorships
2013 – present Board Member of the Division of Polymers, Colloids & Interfaces (DPCI) of the Swiss Chemical Society
2008 – 2012 Advisory Board Member of *Journal of Materials Chemistry*
2013 – present Advisory Board Member of *Journal of Materials Chemistry A*
2012 – present Advisory Board Member of *ChemPlusChem*
2013 – present Advisory Board Member of *Materials Horizons*

Awards and Fellowships

2013 Goldene Eule (awarded by ETH Zurich's student association to lecturers in appreciation of their excellent teaching)
2011 96 in the *Times Higher Education* ranking of the top 100 materials scientists of the past decade according to citation impact
2010 Fellow of the Royal Society of Chemistry (United Kingdom)
2003 "Fortbildungsstipendium" of the Max Planck Society (24 months)
2001 Fellowship for prospective researchers from the Swiss National Science Foundation (12 months)
